U R G E N T.

THE CHIEF SECRETARY

TO THE GOVERNMENT OF MYSORE,

B A N G A L O R E.

Sir,

APPLICATIONS FOR LICENSES TO IMPORT EXPLOSIVES FROM MADRAS TO THE KOLAR GOLD FIELD.

I have been informed by the First Assistant to the Resident in Mysore that applications for Licenses to import Explosives from Madras to the Kolar Gold Field must now be forwarded through the District Magistrate of Kolar, and not, as hitherto, direct to the Resident's Office.

Accordingly, I despatched an Application, prepared in the prescribed form, to the District Magistrate of Kolar on the 19th instant, with a request that the necessary endorsement be made thereon without delay and the application forwarded to the Resident's Office for final disposal.

Not having received the License, I telegraphed the First Assistant to the Resident in Mysore on the 25th idem, enquiring if the application had been received. He replied stating that the original had not been received.

I therefore wrote to the District Magistrate of Kolar drawing his attention to the delay in dealing with my application. In reply to which he sent me the following letter dated the 27th

November :-

"I have the honour to acknowledge the receipt of your "application (received with your letter of the 19th instant) "for importing certain specified explosives from Madras, "and to state that the same has been forwarded to the Chief "Secretary to Government, for transmission to the Resident "in Mysore".

As this indirect method of obtaining Licenses must cause considerable inconvenience and delay, I am writing to enquire as to whether the Government of Mysore cannot see their way to modifying the procedure by kindly allowing the District Magistrate of Kolar to forward my applications, after necessary endorsement by that Official, direct to the Resident's Office, instead of through you as has been done in the case under reference.

As I am urgently in want of the License for the month of December, I have the honour to request that you will be good enough to see that my application dated the 19th instant is forwarded to the Resident's Office at the earliest possible date, and where it will, as usual, receive immediate attention.

Requesting the favour of an early and, I trust, favourable reply.

With my best thanks in anticipation.

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

Adverting to your letter No:G.11208/Pol.60-20-22 of the 7th instant, calling for a stock certificate pertaining to the application of Mr. C.B. Bennetts, Agent of the Nobel's Explosives Co., Ltd., Oorgaum, for a licensetto import certain explosives from Madras during the current month, I have the honor to forward herewith the stock certificate required therein.

In this connection, I beg to forward for favour ofconsideration a copy of letter of the 10th instant, from ---- Mr. Bennetts, stating that his case does not come under the purview of Chief Secretary's letter No:G.27796-804/Pol.120-19-13, dated 19th June 1920.

APPLICATION FOR DECEMBER 1920 License.

I have the honor to acknowledge receipt of your letter No:R. J.C.418/20-21 dt the 8/9th instant, and to state, in reply that the information required by you through the Superintendent of Police, Kolar Gold Fields, has been furnished to that officer today for favour of early transmission to you.

As regards the quantity to be imported monthly, I would point out that the Superintendent of Police is hardly capable of forming an opinion, as to

(a) the quantity, or

(b) the kind of explosives required for this Agency within specified dates.

and that this procedure, if continued, may have to be referred to Government for necessary modification.

Further, I am of opinion that the letter No:G:27796-804/Pol. 120-19-13 dated 19th June 1920, addressed to you by the Chief Secretary to the Government of Mysore, refers entirely to Ammunition imported and sold by English and Native Firms, also Petty Merchants in the Mysore State, and not to Explosives required soley for Mining purposes on the Kolar Gold Fields, to which business this Agency is solely confined.

With reference to the Explosives to be imported during the months of January and February next, forwarded with my letter of the 7th instant, I shall be glad to know if a similar Certificate from the Superingendent of Police is required by you, if so, I will furnish that officer with the necessary information at once.

With reference to the Explosives included in the above application, I would beg to point out that the Kolar Mines will require supplies of Gelatine Dynamite early in January.

I shall therefore be much obliged if you will be good enough to request the Chief Secretary to Government to pass my application at a very early date, if this has not already been done, and to

forward the same to the First Assistant to the Resident in Mysore, for final disposal.

Thanking you in anticipation.

THE SECRETARY TO THE GOVERNMENT OF HIS HIGHNESS

THE MAHARAJA OF MYSORE, REVENUE DEPARTMENT,

Sir,

IMPORT LICENSES FOR DECEMBER 1920, AND JANUARY & FEBRUARY 1921.

I have the honour to acknowledge receipt of your letter, No.G. 11735/Pol.60.20.29, of the 15th instant, and beg to state, in reply, that the Certificates required by you in the above connection have been promptly sent to the District Magistrate, Kolar, and who I trust will forward same to you with as little delay as possible.

With regard to your letter, No.G.27796-804/Pol.120-19-13, of the 19th June 1920, to the District Magistrate, Kolar District, I am fully of opinion that the Rule referring to importations of "Ammunition" does not apply ~~in respect~~ to the High Explosives only, imported for the Kolar Gold Field by this Company, and which are solely required for Mining purposes.

I would also ask you to kindly bear in mind

a. that this Company is licensed to possess the following Explosives, viz :-

116 tons High Explosives.
1,250,000. Detonators, and
120,000. Coils of Safety Fuse.

b. that the fact of holding apparently large stocks at the time applications are submitted should not be considered as sufficient grounds for refusing Licenses.

c. that supplies for the Kolar Gold Field have to be taken when storage accommodation at Madras requires relief.

d. that shipments from England are only made at irregular intervals, and only when large quantities can be despatched, the shipping Companies refusing to accept small Consignments.

e. that in order to safeguard the Gold Mining Industry, it is essential for this Company to hold at least 3 months supplies in their Kolar Magazines.

4) As regards the preparation of the Certificates under reference, it is not quite clear to me as to whether they are to be issued by the Superintendent of Police, Kolar Gold Field, or by myself, and then endorsed by the above Officer.

5) Hitherto, I have adopted the former procedure but shall be glad to hear if it is quite in order.

For this purpose, the supplies required for three months may, if necessary, be ascertained beforehand and noted in the license, as Mr. Bennet considers it essential that the company should hold at least three months' supplies in their Kolar Magazines.

I enclose herein for your information copy of letter from Mr.S. M. Pritchard, District Superintendent of Police, Kolar Gold Fields, stating that the certificate confirming the stock on hand by the Agent may be accepted in applying for license to import explosives through

the District Magistrate. To further facilitate the issue of licenses, I would suggest the delegation of powers of the District Magistrate to the Special Magistrate, Kolar Gold Fields, as being a stationary officer, he is always on the spot and can transmit the applications the very day of their receipt.

In continuation of my letter No: J.C.593/20-21, dated the 10th March 1921, furnishing my opinion in the matter of the procedure to be adopted by the Nobles Explosive Co., Ltd., for importing explosives into the State, I have the honor to forward herewith, for the information of Government, a copy of letter No: .. dated 29th August 1921, from the Agent of the Co., stating that the procedure, now followed, takes considerably longer period than before and requesting me to move Government to modify the present rules and to suggest the adoption of the following procedure.

1st. The Company to submit, in future, all applications to import explosives into the State, to the Special Magistrate, Kolar Gold Fields, who is a stationary officer, on the spot.

2nd. Such applications to be accompanied by a stock certificate from the Secretary of the Mining Board, instead of that of the Police Superintendent.

3rd. The Special Magistrate, to forward such applications immediately to Government, direct.

By the adoption of this procedure, I believe that the present inconvenience and delay to the Company, in getting their supplies, will be greatly remedied.

- PROCEDURE RE IMPORT LICENSES.

AS personally arranged with you some weeks ago, I have now the honour to enclose for your information, the old and new procedure, in regard to applying for licenses to import into the Mysore State supplies, of Explosives for sale to the Mining Companies, on the Kolar GoldFields and from which, you will observe that the procedure which I have had to follow since the 30th September takes considerably longer than under the practice, observed prior to the 30th September last.

Further, I am now handicapped considerably by having to apply for licenses some little time ahead and frequently before definite advices are to hand, as to the actual supplies available in Madras for the Kolar Gold Field.

If you can in any way assist by getting Government to modify the present rules, I shall be extremely obliged to you.

PROCEDURE RE: IMPORT LICENSES.

I have the honour to acknowledge, with my best thanks, receipt of your endorsement, No. R.J.C. 221/21-22, of the 11th instant, kindly forwarding for my information, copy of your letter of the 10th instant to the Secretary to the Government of Mysore, General Department, Bangalore.

I agree with sugestions Nos. 1 and 3, but with regard to sugestion No.2, I see no necessity whatever for obtaining a Stock Certificate from the Secretary of the Kolar Gold Field Mining Boafd, which Board, I would mention, has no control whatever over the affairs of this Company, which is an entirely separate concern with Magazines and an agency established on the Kolar Gold Field.

I would therefore, sugest that the Stock Certificates accompanying the applications should be signed by the Superintendent of Police, as at present, or preferably by myself, as after all, I am the Official responsible for their preparation and accuracy.

If, however, Stock Certificates have to be verified by another party, I would sugest that the Superintendent of Police be instructed to continue the existing arrangement.

To

The General Secretary to the Government of
His Highness the Maharaja of Mysore.

Sir,

I am directed to refer to the correspondence ending with your letter No. 252-Pol., dated the 14th September 1921, regarding the procedure proposed to be adopted in respect of applications for licenses for import of explosives by the Agent, Nobel's Explosives Co., Ltd., Oorgaum.

2. I am now to state that as the Durbar have delegated the powers of a District Magistrate in respect to applications for permission to import explosives into the State to the Special Magistrate, Kolar Gold Fields, it is proposed that applications from the Agent, Nobel's Explosives Co., Ltd., Oorgaum, should be submitted to the Residency through that officer instead of through the Secretary, Kolar Gold Field Mining Board. The following conditions will
